Thank you to Patrice Clair from Big Brothers for the amazing partnership with this program.
Supported & Enhanced Student Learning	**Burnaby Dance Festival** Students from K-7 participated in the Burnaby Dance Festival (Virtual). We hope you were able to watch our students perform on the link sent out! Special thanks to Ms. Payjack for teaching the dance to all of the students, and even the staff! **Pridentity** Ms. Good will be helping to celebrate Pride Month (June) by selecting books that connect to the colours, phrases, and meaning of the Pride Flag. Students will be design/colour/write on a symbol that ties in with each colour. For example, the first colour is red and represents life so students will design/colour a heart. Life Healing Sunlight Nature Serenity Spirit Grade 6/7 leadership students have also completed an Identity and Inclusion Art piece which was funded through a Community Arts grant from the City of Burnaby. They have painted and designed canvases which each represent a colour from the Pride Flag and this art installation will be displayed on the stairway wall leading up from the gym. The aim of this project was to show that ALL are welcome at Stoney!
