- Christmas Hampers – we will be collecting donations through School Cash to purchase food items and grocery gift cards for families in need in the Stoney Creek community.
- Hampers to be put together and given out the last week of school in December

### A Community School is the Hub of the Community

It is people, a place and a set of partnerships between the school and other community resources. Its integrated focus on school success, child and youth development, family support, and community development leads to improved student learning, stronger families and vibrant, healthy communities.

The school is characterized by extended services, extended hours and extended relationships.
