This is a short month but there seems to be a lot happening – we are in the midst of our two weeks of Kindness Activities. Information has been posted on the website. We also have Saleema Noon coming next week (letters sent home to families). Family Day and Report Cards and A Professional Development Day are all happening as well. No wonder it will be March before we know it!!

In addition to February being registration month in Burnaby, it is also the month in which parents can register for Programs of Choice within the District. Information can be found here, on the district website, on the various programs, at different levels:

We have a few afterschool programs running with our community partners and things are well. I know Mrs. Briscoe will speak more about those in her report.

It has been brought to my attention that some parents seem to be struggling with some mental health issues around anxiety with some of their children. I wanted to remind parents that there are community and district resources available to them on the district website so I thought I would provide the link for everyone here.

If you have not already done so, I would encourage you to check out the resources found here. Also, please make sure you are connecting with your child's teacher regarding specific concerns related to your child.
