Hi everyone, and welcome back after a bit of an unexpected extended Winter break. I hope that our families enjoyed time away from school and have returned feeling as prepared and safe as possible given the uncertainty of the times we are in. I feel that the staff did a great job preparing our school and their classrooms with signage, floor

marking and re-establishing hand hygiene routines, line up procedures, etc., in order to welcome students back on the 10th. We also made some changes to our lunch time procedures and have been reinforcing lots of 'reminders' the first week back. I feel students are happy to be back and we hope for fewer rainy days in our future!

I am sure by now all of you have had the opportunity to view the Winter Concerts that we shared via Microsoft Teams. A huge 'Thank You' goes to Ms. Payjack and Ms. Briscoe for making that happen. It was lots of fun to watch. I also want to thank Ms. Heath for helping field questions around accessing the performances.

I want to make sure that parents are paying close attention to our website as we have been posting some very important information there in recent days/weeks. I know the volume of information coming out from the school/district can be overwhelming but we feel it is necessary. I realize you are having to pay attention to information from your child's teacher as well and I thank you for trying to keep up with all of it. Believe me, I know that it is a lot. Some recent posts include:
