It seems as though it has been a long time since we have met and I guess that is because it has been! I hope everyone had a lovely Spring Break and that you all enjoyed the Easter long weekend this past weekend. I know the weather was not the greatest over Spring Break but this past weekend was a bit sunnier at least. Let's hope the spring weather is finally here.

I would like to thank those parents who joined us for the Lunch and Learn session last week with Suzanne Vardy and Jen Ingham. They presented on peer relations,

navigating conflict and how parents can help, etc. I hope the parents in attendance found it useful. For those of you who were unable to attend, and those of you who requested, I have attached the Power point presentation (see attached PDF). This will give you an idea of what they covered.

I am sure you have seen the letter that I sent home regarding Student Led Conferences. These will be taking place on April 28th. Additional information will be coming from your child's teacher with regards to schedule, classroom specific procedures, alternatives to in person sessions, etc. Please make sure you are paying attention to these and responding quickly as the turn-around time is fairly tight. Please note, it is also one hour early dismissal on that day to allow for the conferences.

We have a few afterschool programs running with our community partners right now and I know Mrs. Briscoe will speak more about those in her report.

Some of the staff will be working with intermediate students for Track and Field this year and the district will be working on a modified event to showcase students' accomplishments. There will be four Zonal track meets instead of one large event like in previous years. More information will come home with those students involved in Track and Field. Our zonal event will be held at Cariboo.

We are in the process of planning for next year already now that registration has closed. Although it is too early to tell what September will look like at this point, things should look pretty much the same for Stoney Creek as far as number of divisions. Kindergarten registrations will be lower for sure as this was an unusually high year for K students. Again, it is still early in the planning stages for 2022 – 2023.

Also, with regards to planning for next year - the calendar for the 2022 - 2023 school year has been updated and is now available on the District's website under Quick Links here:

The amendment reflects the National Day for Truth and Reconciliation on Friday September 30, 2022, which is being observed this year as a statutory holiday for students and staff.

Upcoming Dates:

- √ 25 April – Pro D Day
- √ 28 April – Early Dismissal and Student Led Conferences
- √ 23 May – Victoria Day – HOLIDAY
- √ 6 June – Pro D Day
