It certainly was nice to see so many parents attend Student Led Conferences a few weeks ago. It was exciting to have people in the building again. We hope that you enjoyed the opportunity for students to showcase their work and that you were also able to observe the progress they have made since the beginning of the year. I know that so many of them really enjoy the opportunity to share with you what they have been working on and we were so happy that so many of you were able to join us that

afternoon. as I walked throughout the school and watched some of the conferences taking place, it really was great to see so much life in the building again.

I know that students are looking forward to Sports Day on Friday as well. We sure are hoping that we have some nicer weather than we have been having lately. The students have been meeting in their house teams this past week to get ready for the big day. For some of them, this is the first time they will have experienced a full sports day like this so it is rather exciting. A reminder to parents that is early dismissal that day as well.

A request of parents as we continue to plan for next school year – if you are planning to move and therefore your child will not be attending Stoney Creek next year, can you please provide us with that information as soon as possible. This helps us ensure that we have accurate numbers when we are organizing classes and it also allows us to admit others who may be on the waiting list for a space here at the school.

Our Welcome to Kindergarten event will take place this year on Join us on 8 June 2022 from 9.30 am to 11.00 am in our school gym. We are hoping to have Parks and Rec as well as the Burnaby Public Library join us. Weather permitting, there may be some outdoor activities for parents and their incoming K child to engage in as well. An invite has already been sent home to our new K families for this event.
