I would like to take this opportunity to thank Council for their work in supporting us this past year. The students, staff and myself greatly appreciate everything that you do to support our school. We realize it was yet another challenging year with restrictions continuing to be in place. However, we continue to be grateful for the support that Council shows us and I know we all remain hopeful that we will be returning to a 'normal' school year in the fall filled with Council sponsored events.

I know that a few of you were on hand to watch Sports Day a couple weeks ago. We certainly did get lucky with the weather that day. Our students had a great time with all the different stations and the Tug of War was a big hit as well. we posted some pictures on Twitter and there were lots in the newsletter this week as well. a huge thanks to the parents who came and helped with the Pizza Lunch on that day. First hot lunch in a very long time and I know the students really enjoyed it.

Our Pride March last week was a lot of fun. It was neat to join with Cameron for this even and have the two schools mingle together in the park. Our Pride flag will be displayed for a few more days as well as we continue to celebrate Pride month. Again, pictures were posted on Twitter and in the newsletter. Also, as you saw in the newsletter, I took opportunity to highlight some of the things that we did this year. I am proud of the many events that we were able to take part in as a school despite having restrictions for most of the year.

We are still discussing as a staff, what some of our procedures will look like for the fall and will inform parents what these will look like in the new school year. As of right now, we do not anticipate the need for staggered start and end times however, if public health gives us different direction on that over the summer, of course we are ready to change as we always take our guidance from them.

We are currently working with staff, including Ms. Taylor-Gibbs and Ms. Schiml, to honor Indigenous Peoples Day. We are planning to have Alice Gus come and do some work with the students the week of June 20th as well and she will be doing some weaving and story-telling as she works alongside Ms. Taylor-Gibbs and our classroom teachers.

As this will be my last report to Council, I want to wish all our families a safe and enjoyable summer. We look forward to seeing everyone back with us in the fall.

Upcoming Dates:

- √ 21 June – National Indigenous Peoples Day
- √ 28 June – Grade 7 Leaving Ceremony
- √ 29 June – Last Day for Students – 10.00 am Dismissal
