14	Singh, Emily Daoust-Chow, Lori	17								17
	Student Grade Totals	27	42	37	36	44	44	47	45	322

Registration month is complete, and it looks as though we will have more Kindergarten students for the fall than we do currently. Our overall registration is down slightly at this point however we will still maintain our current number of divisions (14). It is still early in the process however, and lots can change between now and September. The district is projecting an increase in enrollment overall which is good news.

We hope that parents found their child's report cards informative and that all of you are planning to attend the upcoming Student Led Conferences on May 4th. More information will be coming out to each of you from your child's teacher but please mark the day and know that we will dismiss one hour early that day to allow you the opportunity to come in and view your child's work. Teachers will be communicating their schedules with you shortly. This process is important as it is valuable to have parents involved in viewing work and in setting goals with you child and/or their teacher.

Our District Track Meet and Choir Festival unfortunately have ended up on the same day. Both events involved intermediate students. There were some challenges with the track meet and finding a venue which meant the day got switched several times. The two events were not planned to be held on the same day originally. We are working to try to allow as many students as possible to attend both.

Ms. Briscoe will talk about two of our upcoming events – the Great Salmon Send Off and our ArtStarts Drumming Project.

Just a reminder to parents that they can email absences as opposed to phoning them in. Please use stoneycreek.info@burnabyschool.ca if you know in advance that your child is going to be away, and email is more convenient, please feel free to use this to report their absence.

For ALL Visitors to the school, we ask that you enter through the Main Doors (opposite the Staff Parking Lot) and report to the Main Office and Sign In, as well as get a Visitor Badge. Office Staff will then be able to assist you and direct you accordingly, if necessary. We appreciate everyone's cooperation with this to help ensure the safety and security of our staff and students.
