Amanda Robers from Burnaby Parks and Rec visited to discuss the after school programs run by the Parks Board at Stoney. Discussion was had regarding the programs that occurred as well as times of the program for primary and intermediate students. It was suggested that some of programs for the intermediate students could run later than the primary students (3pm-5pm). Sports programs also had good enrollment.

Summer fun flyer for free family activities as well as the summer 2026 activity guide are available online now at the Burnaby Parks and Rec website.
